

THINKING OUT LOUD

DO DO FA SOL
When your legs don't work like they used to before
DO DO FA SOL
And I can't sweep you off of your feet
DO DO FA SOL
Will your mouth still remember the taste of my love?
DO DO FA SOL
Will your eyes still smile from your cheeks?
DO DO FA SOL DO DO
And, darling, I will be loving you 'til we're 70
DO DO FA SOL DO DO
And, baby, my heart could still fall as hard at 23
SOL
And I'm thinking 'bout how
REm SOL DO
people fall in love in mysterious ways
REm SOL
Maybe just the touch of a hand
REm SOL LAm
Well, me—I fall in love with you every single day
FA SOL FA

REm SOL
And I just wanna tell you I am
DODO FA So, honey, now

SOL DO DO
Take me into your loving arms
SOL DO
Kiss me under the light of a thousand stars
SOL DO DO
Place your head on my beating heart
FA SOL
I'm thinking out loud
LAm SOL FA DO REm SOL DO
Maybe we found love right where we are
DO DO FA SOL
When my hair's all but gone and my memory fades
DO DO FA SOL
And the crowds don't remember my name
DO DO FA SOL
When my hands don't play the strings the same way
DO DO FA SOL

(mmm...) I know you will still love me the same

DO DO FA SOL

'Cause, honey, your soul could never grow old,

DO DO FA SOL

it's evergreen

DO DO

And, baby, your smile's forever in my mind and memory

SOL

I'm thinking 'bout how

Maybe it's all part of a plan

REm SOL LAm

Well, I'll just keep on making the same mistakes
