

PHOTOGRAPH

Intro:

DO LAm SOL FA

DO LAm

Loving can hurt, loving can hurt sometimes

SOL FA

But it's the only thing that I know

DO

When it gets hard, you know it can get hard sometimes

SOL FA

It is the only thing makes us feel alive

LAm FA

We keep this love in a photograph

DO SOL

We made these memories for ourselves

LAm

Where our eyes are never closing

FA

Hearts are never broken

DO SOL

And time's forever frozen still

DO

So you can keep me

SOL

Inside the pocket of your ripped jeans

LAm

Holding me closer 'til our eyes meet

FA

You won't ever be alone,

DO

wait for me to come home

DO LAm

Loving can heal, loving can mend your soul

SOL FA

And it's the only thing that I know, know

DO

I swear it will get easier

LAm

Remember that with every piece of you

SOL

Hm, and it's the only thing

FA

we take with us when we die

LAm FA

Hm, we keep this love in this photograph

DO SOL

We made these memories for ourselves

LAm

Where our eyes are never closing

FA

Hearts were never broken

DO SOL

And time's forever frozen still

DO

So you can keep me

SOL

LAm

Inside the pocket of your ripped jeans

LAm

Holding me closer 'til our eyes meet

FA

You won't ever be alone

DO

And if you hurt me

SOL

That's okay baby, only words bleed

LAm

Inside these pages you just hold me

FA

And I won't ever let you go

LAm

Wait for me to come home

FA

Wait for me to come home

DO

Wait for me to come home

SOL

Wait for me to come home

DO

Oh, you can fit me

SOL

Inside the necklace you got when you were sixteen

LAm

Next to your heartbeat where I should be

FA

Keep it deep within your soul

DO

And if you hurt me

SOL

Well, that's okay baby, only words bleed

LAm

Inside these pages you just hold me

FA

And I won't ever let you go

DO

SOL

When I'm away, I will remember how you kissed me

LAm

Under the lamppost back on Sixth street

FA

Hearing you whisper through the phone

"Wait for me to come home"
