

THINKING OUT LOUD

RE RE SOL LA
When your legs don't work like they used to before
RE RE SOL LA
And I can't sweep you off of your feet
RE RE SOL LA
Will your mouth still remember the taste of my love?
RE RE SOL LA
Will your eyes still smile from your cheeks?
RE RE SOL LA RE RE
And, darling, I will be loving you 'til we're 70
RE RE SOL LA RE RE
And, baby, my heart could still fall as hard at 23
LA
And I'm thinking 'bout how
MIm LA RE
people fall in love in mysterious ways
MIm LA
Maybe just the touch of a hand
MIm LA SIm
Well, me—I fall in love with you every single day
SOL LA SOL

MIm LA
And I just wanna tell you I am
RE RE SOL
So, honey, now
LA RE RE
Take me into your loving arms
LA RE
Kiss me under the light of a thousand stars
LA RE RE
Place your head on my beating heart
SOL LA
I'm thinking out loud
SIm LA SOL RE MIm LA RE
Maybe we found love right where we are
RE RE SOL LA
When my hair's all but gone and my memory fades
RE RE SOL LA
And the crowds don't remember my name
RE RE SOL LA
When my hands don't play the strings the same way

RE RE SOL LA
 (mmm...) I know you will still love me the same
 RE RE SOL LA
 'Cause, honey, your soul could never grow old,
 RE RE SOL LA
 it's evergreen
 RE RE
 And, baby, your smile's forever in my mind and memory
 LA
 I'm thinking 'bout how
 MIm LA RE
 people fall in love in mysterious ways
 MIm LA
 Maybe it's all part of a plan
 MIm LA SIm
 Well, I'll just keep on making the same mistakes
 MIm LA
