

ROLLING IN THE DEEP

LAm

MIm

There's a fire starting in my heart

SOL MIm SOL

Reaching a fever pitch, it's bringing me out the dark

LAm MIm

Finally I can see you crystal clear

SOL MIm SOL

Go 'head and sell me out and I'll lay your ship bare

LAm MIm

See how I leave with every piece of you

SOL MIm SOL

Don't underestimate the things that I will do

LAm MIm

There's a fire starting in my heart

SOL

Reaching a fever pitch

MIm SOL FA

And it's bringing me out the dark

SOL MIm

The scars of your love remind me of us

FA

They keep me thinking that we almost had it all

SOL MIm

The scars of your love, they leave me breathless

MIm

I can't help feeling

LAm

We could have had it all

SOL

(You're gonna wish you never had met me)

FA

Rolling in the deep

(Tears are gonna fall, rolling in the deep)

SOL LAm SOL

You had my heart inside of your hand

(You're gonna wish you never had met me)

FA SOL

And you played it, to the beat

(Tears are gonna fall, rolling in the deep)

LAm MIm

Baby, I have no story to be told

SOL

But I've heard one on you

MIm SOL

And I'm gonna make your head burn

LAm MIm

Think of me in the depths of your despair

SOL

Make a home down there

MIm SOL

As mine sure won't be shared

FA

(You're gonna wish you never had met me)

SOL MIm

The scars of your love remind me of us

(Tears are gonna fall, rolling in the deep)

FA

They keep me thinking that we almost had it all

(You're gonna wish you never had met me)

SOL MIm

The scars of your love, they leave me breathless

(Tears are gonna fall, rolling in the deep)

MIm

I can't help feeling

LAm

We could have had it all

SOL

(You're gonna wish you never had met me)

FA

Rolling in the deep

(Tears are gonna fall, rolling in the deep)

SOL LAm SOL

You had my heart inside of your hand

(You're gonna wish you never had met me)

FA SOL

And you played it, to the beat

(Tears are gonna fall, rolling in the deep)

FA SOL

We could have had it all

LAm SOL

Rolling in the deep

FA

You had my heart inside of your hand

SOL

But you played it, with a beating

LAm

Throw your soul through every open door (woah)

Count your blessings to find what you look for (woah)

LAm

Turn my sorrow into treasured gold (woah)

You'll pay me back in kind and reap just what you sow (woah)

LAm SOL

(You're gonna wish you never had met me)

FA

We could have had it all
(Tears are gonna fall, rolling in the deep)

SOL LAm

We could have had it all

SOL

(You're gonna wish you never had met me)

FA

It all, it all, it all
(Tears are gonna fall, rolling in the deep)

LAm

We could have had it all

SOL

(You're gonna wish you never had met me)

FA

Rolling in the deep
(Tears are gonna fall, rolling in the deep)

SOL LAm SOL

You had my heart inside of your hand
(You're gonna wish you never had met me)

FA SOL

And you played it, to the beat

(Tears are gonna fall, rolling in the deep)

LAm

We could have had it all

SOL

(You're gonna wish you never had met me)

FA

Rolling in the deep
(Tears are gonna fall, rolling in the deep)

SOL LAm SOL

You had my heart inside of your hand
(You're gonna wish you never had met me)

FA

But you played it
You played it

You played it

SOL LAm

You played it to the beat
