

SET FIRE TO THE RAIN

Intro:

I let it fall, my heart

RE LAm

And as it fell, you rose to claim it

MIm SOL

It was dark, and I was over

RE RE

Until you kissed my lips and you saved me

MIm

My hands,

MIm SOL RE LAm

MIm SOL

But my knees were far too weak

MIm SOL

To stand in your arms

RE RE

Without falling to your feet

DO

But there's a side to you

LAm

That I never knew, never knew

MIm

All the things you'd say

They were never true, never true

DO

And the games you'd play

RE

You would always win, always win

MIm

But I set fire to the rain

RE

Watched it pour as I touched your face

LAm

Well, it burned while I cried

'Cause I heard it screaming out your name, your name!

MIm SOL

When I lay with you

RE

I could stay there

LAm

MIm RE

Close my eyes

MIm SOL

Feel you here forever

RE

You and me together

RE

Nothing is better
