

# SET FIRE TO THE RAIN

Intro:

I let it fall,

**DO**

**REm FA DO SOLm**

**DO**

**SOLm**

**REm**

**FA**

my heart

And as it fell, you rose to claim it

**REm FA**

It was dark, and I was over

**DO DO**

Until you kissed my lips and you saved me

**REm FA**

My hands, they were strong

But my knees were far too weak

**REm FA**

To stand in your arms

**DO DO**

Without falling to your feet

**SIb**

But there's a side to you

**SOLm**

That I never knew, never knew

**REm**

All the things you'd say

They were never true, never true

**SIb**

And the games you'd play

**DO**

You would always win, always win

**REm**

But I set fire to the rain

**DO**

Watched it pour as I touched your face

**SOLm**

Well, it burned while I cried

'Cause I heard it screaming out your name, your name!

**REm FA**

When I lay with you

**DO**

I could stay there

**SOLm**

Close my eyes

**REm FA**

Feel you here forever

**DO**

You and me together

**DO**

Nothing is better

**SIb**

'Cause there's a side to you

**SOLm**

That I never knew, never knew

**REm**

All the things you'd say

**SOLm**

**REm DO**

They were never true, never true

I set fire to the rain

**DO**

And I threw us into the flames

**SOLm**

When it fell, something died

**Sib DO**

'Cause I knew that that was the last time, the last time!

**Sib FA**

Sometimes I wake up by the door

**LAm DO**

That heart you caught must be waiting for you

**Sib FA**

Even now, when we're already over

**LAm DO**

I can't help myself from looking for you
